Why?

Matthew 5:13-15

1. As you reflect on last weekend's sermon, what one principle or insight stands out as being particularly helpful, insightful, or difficult to grasp?

2. Share an event or activity that you were apart of where people did not show up. How did the event or activity turn out?

3. Have you ever been to Mammoth Cave and experienced when they turn off all the lights and then light one candle? What difference does the one candle make? How does John 1:5 relate?

    a. What happens when a few lights are lit together? How does this compare to the Church?

4. Read Matthew 6:22-23. Jot down key observations and insights.

a. Many of us need to be aware that our motives may not be God's motives. We have to be cautious of the direction we are taking. In reading Matthew 6:22-23, what do wrong motives lead to? Why is it important that we meet together?

5. What darkness do you see that the Church is overlooking? What darkness do you think the Church is equipped to overcome?

    a. How do we use our lights together to overcome the darkness?

6. Where can your light make a difference? Where can your light with others make a difference?
