Focused!

Hebrews 13:7; Matthew 4:1-2; John 4:38

1. What's one thing from last weekend's sermon that you hope we talk about as a group?

2. In the past year, where has your focus been? What outcomes have you been seeing?

3. In the next 8 to 10 weeks, what are some outcomes you would like to see as we start home groups back up?
 - b. What change of focus do you need to have to help see some of these outcomes?

4. What outcomes did Jesus have because of his focus? What outcomes do you hope to see as an individual, family, and/or church?

5. As a home group, what prayer can we focus on today, that can help us see some of these outcomes?
