Exodus 3:7-10; Exodus 4:11-12

1.) What impacted you the most about Pastor Terry's sermon this week? Share something that you learned/heard that you hadn't known previous to his sermon.

b.) Make S.O.A.P. journal entries for Exodus 3:7-10 and/or Exodus 4:11-12 NIV and share.

2.) Home groups, please take time this week to review, plan, and pray about the work we have been discussing in these past few weeks.

a. How have you been keeping aware of yourself with the H.A.L.T. method before making any decisions? (Hungry, Angry, Lonely, and Tired)

b. What has your experience been like since using the S.O.A.P. method while reading scripture? (Scripture, Observation, Application, and Prayer) Have you been able to work on the discipline of adding scripture to your daily routine at least four times a week? Have you noticed anything different in your life because of it?

c. How have you been praying, thinking, or engaging with your neighbors in the last few weeks? What experiences have you had? Share.

d. What challenges have you faced with these new disciplines of praying for the lost, engaging intentionally with your neighbors, and reading scripture at least four times a week? How as a home group can we help one another to develop these disciplines?

b.) Share with your home group some prayer concerns for your neighbors and take the last 10 minutes of group and pray for each other's neighborhoods and ask God to move His Spirit in a way that will lead you to see some giants in your own neighborhood.
