3.) If you want to find what God has for you, you are going to be put into uncomfortable situations and have to have uncomfortable conversations. When has God called you to do something that you did not want to do? What was that experience(s) like? Did this lead you closer or further from your purpose?

b) What has your decision to follow Christ cost you? Share your experience(s) with the group.

c) Over the last few weeks we have slowed down to really connect with the Lord through S.O.A.P and spending time alone with him. What has God been placing on your heart during this time? Has he moved you into a place of uncomfot? Share with your group if you are willing.
