Picture This?

Luke 10:38-42 NIV

1.) As you reflect on Pastor Alexis' sermon this week, what is one insight, observation, or question that you have?

2.) Why is busyness so attractive to us? Why do we find it difficult to slow down?

b. Share how busyness has "hijacked your relationship with God" and/or "derailed you from God's purpose"?

c. What are the advantages to spending time regularly "at the feet of Jesus"?

3.) Pastor Alexis gave us a practical way to prioritize our time by using the jar of life and rocks of time analogy.

a. Identify your big rocks.

b. Do you prioritize the most important things in your life? Share how you fill your jar.

c. How can others hold you accountable for prioritizing your time this week?
