## **Back to Basics**

***Matthew 25:14-30***

1. What's one thing from this week's sermon that you hope we talk about as a group?
  
2. Pastor Terry shared about his time working at McDonalds; share about a time in your own life where others were only doing what was expected of them, but you found yourself going above and beyond. What was that experience like?

*Digging deeper*

3. Read Luke 19:11-27. This is a different account of the same parable, Matthew 25:14-30. What differences or similarities stand out to you in these readings?

b. In regards to your time, talents, and money what have you done with what God has given you?

c. Have there been times where you have buried what God has given you? Why?

*Application*

4. Are there any places where you can give more (time, talent, or money) than what you have been giving? Share.
