

# NOTES

September 1, 2019

Don't lose **sight** of your **guide**.

*"Then the angel of God, who had been traveling in front of Israel's army, withdrew and went behind them. The pillar of cloud also moved from in front and stood behind them, coming between the armies of Egypt and Israel. Throughout the night the cloud brought darkness to the one side and light to the other side; so neither went near the other all night long."* Exodus 14:19-20 NIV

You think he has **left** you, but he has only **repositioned** himself to **defend** you!

Instead of wondering **where** he is, you should **celebrate** what he is **about** to do!

*"Then Moses stretched out his hand over the sea, and all that night the Lord drove the sea back with a strong east wind and turned it into dry land. The waters were divided, and the Israelites went through the sea on dry ground, with a wall of water on their right and on their left. The Egyptians pursued them, and all Pharaoh's horses and chariots and horsemen followed them into the sea. During the last watch of the night the Lord looked down from the pillar of fire and cloud at the Egyptian army and threw it into confusion. He jammed the wheels of their chariots so that they had difficulty driving. And the Egyptians said, 'Let's get away from the Israelites! The Lord is fighting for them against Egypt.'"*

Exodus 14:21-25 NIV

**When the enemy is at your **heels**, remember who has your **back**!**

*"That day the Lord saved Israel from the hands of the Egyptians, and Israel saw the Egyptians lying dead on the shore. And when the Israelites saw the mighty hand of the Lord displayed against the Egyptians, the people feared the Lord and put their trust in him and in Moses his servant."* Exodus 14:30-31 NIV
